*XS size has a 20lb. weight capacity Ripcord system, does not have utility pockets over the weight system and can only use a single cylinder.

**Standard shoulder buckle on MD and larger is 2 inches. Narrower cut shoulders sized to fit women are standard on SM and XS, and are available in all sizes.

Colors:

Black, Blue, Grape, Neon Yellow, and Teal

Additional options included with Ranger LTD:

- A lumbar pad is permanently mounted in the rear of the vest section.
- The removable rear weight system (8051Z) is included.
- A pair of 18lb capacity (8043) weight pouches are included.
- An extra set of vertically mounted D-rings are positioned ideally for mounting extra cylinders or accessories.
- Two additional 1.5" D-rings are located at the bottom rear of the vest.
- The Tank Bands are designed so they can be lengthened to hold twin cylinder sets.
- A Zipper attachment system mounted inside each wing of the bladder allows for the attachment of a variety of carriers and accessories, including Pony bottle carriers, Spare Air carriers, extra pockets, and grommet panels.
