

# 2003 Zeagle Product Specifications

## Buoyancy Compensators:

## Zena BC: Standard Features

Zena BC:  
7401RK

Trim and streamlined, the Zena BC has been designed by women as a buoyancy system for women. The elastic front panels zip closed to provide outstanding fit and comfort. The twin straps adjust to fit around the waist and hips independently, allowing a lower and more balanced position for the weights and buoyancy and providing increased security.

- Zeagle's Personal Fit System (PFS)
- Pull out zippered utility pocket
- 30-lb capacity Ripcord weight system
- 10-lb rear weeight system (releasable)
- 34-lb lift capacity bladder (24-lb optional)
